General Counsel are more important than ever in history. Boards of Directors look increasingly to them to enhance financial and business strategy, compliance, and integrity of corporate operations. In recognition of our distinguished Guest of Honor's personal accomplishments in his career and his leadership in the profession, we are honoring Dr. Juergen Reul, General Counsel of BMW Group with the leading global honor for General Counsel. In 2016, BMW celebrated its 100th anniversary since its founding in Munich.

Dr. Reul's address will focus on key issues facing the General Counsel of an international automobile manufacturing corporation. He will be joined by Distinguished Panelists who will discuss additional topics including Board governance; M&A; regulation; dispute resolution; and autonomous driving. The transcript of this event will be made available worldwide in electronic copy.

The Directors Roundtable is a civic group which organizes the preeminent worldwide programming for Directors and their advisors including General Counsel. Appreciation for their cooperation is given to Frank Henkel and Jamie Nowak, partners in the Munich office of Norton Rose Fulbright.
